# Section I: Delegate Selection Process

## 1) Introduction

### a) Delegates and Alternates for New Mexico

New Mexico has a total of **45 delegates and 3 alternates**, including an allocation bonus to the base delegation due to the New Mexico Primary Election occurring on June 2, 2020. (*Call I & Appendix B*)

### b) Government of Selection Process

The delegate selection process is governed by the **Charter and Bylaws** of the Democratic Party of the United States, the **Delegate Selection Rules** for the 2020 Democratic National Convention (“Rules”), the **Call for the 2020 Democratic National Convention** (“Call”), the **Regulations of the Rules and Bylaws Committee** for the 2020 Democratic National Convention (“Regs.”), the **Rules of the Democratic Party of New Mexico**, the **New Mexico Election Code**, and this **Delegate Selection Plan**. (*Call II.A*)

### c) Review and Approval of Selection Plan

Following DPNM’s adoption of this **Delegate Selection Plan**, DPNM shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). DPNM Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure this document’s full compliance with Party Rules. **Such corrections shall be made by the DPNM Chair and the Plan shall be re-submitted to the RBC within 30 days of receipt of notice of the RBC’s findings.** (*Reg. 2.5, Reg. 2.6 & Reg. 2.7*)

### d) Amendments

Once this plan has been found in compliance by the RBC, any amendment to the Plan by DPNM must be submitted to and approved by the RBC before it becomes effective. (*Reg. 2.9*)

## 2) Description of Delegate Selection Process

### a) Proportional Representation System

New Mexico will use a proportional representation system based on the results of the **June 2, 2020** primary for apportioning delegates to the 2020 Democratic National Convention.

### b) First Determining Step

The “first determining step” of New Mexico’s delegate selection process will occur on **June 2, 2020**, with a Primary Election. The New Mexico Primary Election will be held statewide in each of the 33 counties in collaboration with other statewide and local primary elections.

### 3) Voter Participation

#### a) Requirements

Participation in New Mexico's delegate selection process is open to all voters who wish to participate as Democrats. (*Rule 2.A and Rule 2.C*)

- i) The deadline to register to vote in the first step of the delegate selection process is **May 30, 2020. This deadline is for new registrants only.**

**A New Mexico registered voter will not be able to change their party affiliation after May 5, 2020 and will only be able to change their voting address after May 5, 2020. For example, if a voter is currently any party affiliation other than Democrat (including Decline to State, "DTS"), in order to participate in the New Mexico Democratic Primary, they will need to change their party affiliation by May 5, 2020.**

**From May 6 to May 30, 2020, a previously unregistered person may register to vote only at a certified County Clerk office or satellite location.**

**Note: Not all early voting locations will have registration available.**

- ii) Individuals registering to vote outside of the May 6 - 30 window, can register at (1) their County Clerk's office or (2) with any certified Voter Registrar in New Mexico or (3) at [www.nmvote.org](http://www.nmvote.org) or (4) by filling out a National Voter Registration Form (<https://www.eac.gov/voters/register-and-vote-in-your-state/>)
- iii) To be properly registered in New Mexico, a voter must:
  - (1) Be a resident of New Mexico
  - (2) Be a citizen of the United States
  - (3) Not be legally declared mentally incapacitated
  - (4) Not be a convicted felon, unless they have completed all of the required terms and conditions of sentencing
  - (5) Be 18 years or older at the time of the next general election
- iv) Other enrollment procedures and declaration process requirements in New Mexico include:
  - (1) New Mexico voters publicly declare their party preference when they register to vote. (*Sections 1-4-5.4 & 1-4-15, NMSA 1978*)
  - (2) Primaries in New Mexico are reserved for major political parties. (The major political parties in New Mexico are: Democratic Party, Republican Party, and Libertarian Party.)

(3) New Mexico has a closed primary system -- requiring registration as a member of a major political party for participation in that major political party's primary election. New Mexico registered voters who are not registered as Democrats before the registration deadline (**May 5, 2020**) will not be able to participate in the **Democratic party's** primary election process. **New registrants in New Mexico who are not registered as Democrats before the new-registration deadline (May 30, 2020)** will not be able to participate in the **Democratic party's** primary election process. *(Sections 1-12-7.B & 1-12-7.C, NMSA 1978)*

(4) For the purposes of the primary election, any voter who is seventeen years old on the primary election date, and who will be a registered qualified elector on the day of the general election, shall be considered to be a voter and may vote in the primary election immediately preceding that general election. *(Section 1-4-2, NMSA 1978)*

(5) In-person voting begins on May 5th for the Presidential Preference Primary Election.

- v) To encourage participation by youth in the delegate selection process, any **registered Democrat** who will have turned **18 on or by the date of the general election will be allowed to participate in the delegate selection process.** *(Rule 4.3.C)*
- vi) At no stage of New Mexico's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Democratic Party of New Mexico may be made, but under no circumstances shall a contribution be mandatory for participation. Fees and/or contributions associated with the New Mexico delegate selection process could include travel expenses, lodging, and transportation. *(Rule 2.D & Reg. 4.4)*
- vii) No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. *(Rule 2.E)*
- viii) Voting by secret ballot shall be used in a process that is the first determining stage of the delegate selection process in which all individual voters who wish to participate as Democrats are eligible to do so.

At all subsequent stages of the delegate selection process, including processes leading up to the selection of DNC members, or State Chairs or Vice Chairs who serve as DNC members by virtue of their office, votes shall not be taken by secret ballot. *(Rule 2.F)*

- ix) No person shall vote in more than one (1) meeting which is the first meeting in the delegate selection process. *(Rule 3.E & Reg. 4.7)*

b) Security Goals

New Mexico is participating in the New Mexico state-run presidential preference primary that will use government-run voting systems. To accomplish the following goals, the Democratic Party of New Mexico will take provable positive steps to seek enactment of legislation, rules, and policies at the state and local level to enhance voter and election security:

**i) Secure and Accurate Registration Rolls**

Maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure. *(Rule 2.H.1)*

- (1) New Mexico state law allows for individuals or groups to make a public records request with regard to voter registration. However, the voter's day and month of birth and social security number are privacy protected. *(Section 1-4-12.C, NMSA 1978)*
- (2) The New Mexico Confidential Address Program (CAP) allows victims of domestic violence, sexual assault, stalking, or similar types of crimes to receive mail at a confidential address while keeping their actual address private. To be eligible for CAP, a person must be a New Mexico resident, or must be in the process of moving to the state in the near future, and must be a victim of domestic violence, sexual assault, attempted sexual assault, or stalking, or must have fears for their safety or the safety of a family member. *(Chapter 40, Article 13, NMSA 1978)*
- (3) The Democratic Party of New Mexico has a history of advocacy with regard to securing and maintaining accurate state voter registration rolls. *(see Appendix X)*

DPNM has used social media as a way to raise public awareness and to advocate for the need for purge protocols that maintain an accurate voter registration roll without disenfranchising voters.

Additionally, DPNM follows a set of security protocols with *Votebuilder*, ensuring that only valid users are able to access *Votebuilder* and that two-factor authentication is used for every login. These protocols help to ensure that DPNM is doing its part to secure the state voter file in *Votebuilder*.

**ii) List Maintenance**

Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls. *(Rule 2.H.2)*

(1) In New Mexico, between every June Primary Election and the November General Election, state law requires the Secretary of State to send notice to all voters who have been identified as having possibly moved without updating their voter registration. (*NMSA 1978, 1-4-28*) Identification of voters who have possibly moved is based on the following criteria: (1) The county clerk sent official election mail to the voter that was returned as undeliverable by the U.S. Postal Service (USPS), or (2) The USPS National Change of Address database indicates a different current address for the voter than where they last registered to vote.

(a) To comply with the National Voter Registration Act (NVRA) and New Mexico State law, the Secretary of State's office sent a voter address confirmation postcard in August, 2018 to 54,052 New Mexico voters who were identified as having possibly moved without updating their voter registration.

If a voter did not respond to the address confirmation postcard, they were still eligible to vote in the 2018 General Election. However, the voter **will be eligible for removal** from the voter rolls if they do not update their address or if they do not vote in any election through the 2020 General Election. Any registered voter who ignores the postcard and does not vote in any election through the 2020 November General Election is eligible for removal from the voter rolls in the spring of 2021, in accordance with State law.

For the 2020 Election and 2019 purges, the County Clerks will be reviewing 2014 postcard recipients.

(2) The Democratic Party of New Mexico has a history of advocacy with regard to following proper list maintenance procedures (*refer to Appendix X for more detail*).

DPNM Chair Elliston and other party leaders have spoken publicly about the importance of following a purge protocol that does not disenfranchise voters.

DPNM works with individual County parties to seek representation on local County Clerk Voter Roll committees, which are the first step in reviewing voters who may be eligible to be removed from voter rolls.

**iii) Precinct-Based Optical Scanning Systems**

Promote the acquisition, maintenance, and regular replacement of precinct based optical scan voting systems. (*Rule 2.H.3*)

- (1) New Mexico last purchased precinct based optical scan voting systems in 2014. **Update:** Estimated costs for the purchase of optical scan tabulation systems to be deployed to county election officials is \$935,000, which includes a trade-in of lower model tabulators to ensure cost savings and equipment utilization are maximized. The state anticipated completing this procurement effort prior to the 2018 General Election.

In 2018, the State of New Mexico received its authorized share of the funds from the Consolidated Appropriations Act of 2018 in the amount of \$3,699,470 and, like other states, is required to make a 5% match within two years of receiving the funds. The Office of the Secretary of State intends to request a special appropriation in the state's fiscal year **2020** in order to meet the match obligation total of \$184,973, which brings the total award amount to \$3,884,443. The federal funds must be used within five years, with a deadline for expenditure in **March 2023**. New Mexico expended a portion of the funding for immediate improvements prior to the 2018 General Election, while the remainder will be used on activities extending to the five year expiration deadline. A majority of the funds will be used on initiatives that will directly benefit New Mexico counties, with a focus on supporting county needs for equipment and other improvements.

- (2) The Democratic Party of New Mexico has a history of advocacy and monitoring with regard to promoting the acquisition, maintenance, and regular replacement of precinct-based optical scan voting systems and will continue this advocacy. *(See Appendix X)*

DPNM staff regularly monitors any updates made by the NM Secretary of State (SoS) office with regard to any changes or acquisitions in precinct-based optical scan voting systems.

In 2018, DPNM invested over \$45,000 in voter protection attorneys; one of that team's responsibilities was to monitor the statewide voting machine certifications.

DPNM continues to work with local leaders to participate in county level activities that monitor voting requirements, including the proper use and maintenance of precinct based optical scan voting systems.

**iv) Voter-Verified Paper Record**

Ensure that any direct recording electronic systems in place have a voter verified paper record. *(Rule 2.H.4)*

- (1) New Mexico is statutorily required to use paper ballots for all elections. (*Section 1-9-7.1, NMSA 1978*)
- (2) The Democratic Party of New Mexico has a history of advocacy and monitoring with regard to ensuring that any direct recording electronic systems in place have a voter verified paper record. (*See Appendix X*)

DPNM Chair Elliston has spoken publicly about the importance of paper ballots.

DPNM has used social media as a way to raise public awareness of -- and to advocate for -- the need of paper ballots.

DPNM continues to work with local leaders to participate in county level activities that monitor voting requirements, including the use of paper ballots for all future elections.

**v) Audits**

Implementing risk-limiting post-election audits, such as manual audits comparing paper records to electronic records. (*Rule 2.H.5*)

- (1) Following each general election, New Mexico law requires a voting system check for the federal and statewide offices in which the winning candidate won by the smallest percentage margin of all statewide candidates. In **2018**, the two statewide races identified for **audit** with the smallest winning percentage margin were for U.S. Representative (Congressional District 2) and Commissioner of Public Lands. The 2018 audit was independently reviewed on **December 14, 2018**.
- (2) The Democratic Party of New Mexico has a history of advocacy and monitoring with regard to implementing risk-limiting post-election audits, such as manual audits comparing paper records to electronic records. (*See Appendix X*)

DPNM has posted social media promotion on the importance of election audits.

DPNM has participated in state and county level advocacy and involvement. For example, when paper ballots didn't match voting machine counts in San Juan County after the 2018 election, the County Chair, along with other local leaders, observed a recount conducted by the San Juan County Clerk to compare paper records to electronic records.

**vi) Security Measures**

Ensure that all voting systems have recognized security measures. (*Rule 2.H.6*)

- (1) New Mexico has a series of protocols that are designed to provide adequate security measures with regard to voting systems. These protocols include requirements for storage, transportation, video and alarm surveillance, environmental factors, and maintenance. *(Section 1.10.34, NMSA 1978)*
- (2) The Democratic Party of New Mexico has a history of advocacy and monitoring to ensure that all voting systems have recognized security measures. *(See Appendix X)*

New Mexico's Secretary of State has been a champion with regard to voting security. DPNM worked to re-elect Secretary of State Maggie Toulouse Oliver in 2018.

In 2018, DPNM invested over \$45,000 in a voter protection team; one of their responsibilities was participating in statewide voting machine certifications.

DPNM continues to work with local leaders to participate in county level activities that monitor voting security, including voting machine certifications for future elections.

#### **vii) Voting Machines**

Use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately. *(Rule 2.H.7)*

- (1) The Democratic Party of New Mexico has a history of advocacy and monitoring to ensure the use of accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately. *(See Appendix X)*

In 2018, DPNM invested over \$45,000 in a voter protection team and voter protection hotline. This team pulled together attorneys statewide to address specific local issues, including any problems with voting machines that may have impeded the ability of an individual with disabilities to vote during the 2018 general election period.

DPNM has posted social media promotion on the importance of adequate and proper accessibility for all voters.

DPNM advocated for the passage of a straight ticket voting option, which would have allowed certain individuals with disabilities to vote more easily.

#### **c) Voter Protection Goals**

In accordance with the Democratic Party's requirement to assess and improve participation with respect to presidential preference and the delegate selection process, the Democratic Party of New Mexico has taken and will continue to take provable positive steps with DNC assistance to

implement year-round voter protection programs to support educational, administrative, legislative, and litigation-based efforts to protect and expand the vote and advance election fairness and security, including the goals set forth below.

**i) Expanded Access**

Expand access to voting, including by early voting, no-excuse absentee voting, same-day voter registration, and voting by mail. (*Rule 2.1.1.a*)

- (1) New Mexico has **early voting in all counties**. Locations, hours, and dates vary from county to county and are determined by the local county clerk. As early vote locations are determined, they can be found at [www.nmvote.org](http://www.nmvote.org) (*Section 1-6-5.7, NMSA 1978*)
- (2) New Mexico does not require an excuse as a requirement for requesting an **absentee ballot**. (*Section 1-6-4, NMSA 1978*)
- (3) Requested absentee ballots are sent out to voters beginning 28 days prior to the Primary election (**May 5, 2020**) and no later than the Friday prior to the Primary election (**May 29, 2020**). The deadline for requesting an absentee ballot is the Thursday prior to the Primary election (**May 28, 2020**).
- (4) The Democratic Party of New Mexico works to make all county **voting information accessible to all voters**. (*See Appendix X*)

DPNM has used its website, social media, direct voter outreach, and engagement to provide voting information accessible to all voters statewide.

**In 2018, DPNM engaged in a widespread field operation that spoke with voters about the general election.** Conversations at the door, on the phone, and via text messaging included setting up a plan with each voter about their plans for voting early, absentee, or on Election Day.

**In 2018, DPNM invested over \$45,000 in a voter protection team and voter protection hotline.** This team pulled together attorneys statewide to address specific local issues, including any problems with voting machines that may have impeded the ability to vote that arose during the 2018 general election period.

**During the 2018 election, DPNM invested in a mailing sent to over 120,000 voters statewide,** informing them of early voting locations in their area.

**DPNM sent over 41,000 absentee ballot applications** to voters in Congressional District 2 during the 2018 election.

**In 2019**, DPNM worked to educate voters over social media about the new vote by mail method for school bond elections.

DPNM endorsed and advocated for same-day registration. DPNM Chairwoman Elliston provided public comment to the NM Legislature on the importance of this issue. Chairwoman Elliston had conversations with individual legislators around the importance of this legislation. A version of the bill DPNM supported was passed and signed into law during the 2019 Legislative Session. The bill that was signed into law allows for same-day registration during early vote but not election day for the 2020 general cycle. Beginning in 2021, the law will allow for same-day registration for the general cycle on election day as well. For primaries, previously unregistered voters will be the only voters who can register [change party affiliation] during the early voting and election day windows.

On April 14, 2020, the Supreme Court of New Mexico ruled that our state could not move to an all-mail election, and instead ruled that in-person voting must remain open and that absentee ballot applications must be mailed to every voter registered with a major party.

**ii) Voting Locations**

Ensure that voting locations are accessible, fairly placed, and adequate in number, and have a sufficient number of voting machines. *(Rule 2.1.1.b)*

- (1) The Democratic Party of New Mexico works to make sure all voting locations are accessible, fairly placed, and adequate in number, and have a sufficient number of voting machines. *(See Appendix X)*

In 2018, DPNM invested over \$45,000 in a voter protection team and voter protection hotline. This team pulled together attorneys statewide to address specific local issues, including any discrepancies with voting locations.

For instance, DPNM participated in addressing issues with a specific voting location in Otero county. This advocacy resulted in moving the location to better accommodate the community and in adding days for early voting.

**iii) Voting Process Time**

Speed up the voting process and minimize long lines. *(Rule 2.1.1.c)*

- (1) The Democratic Party of New Mexico works to minimize long lines at voting locations. *(See Appendix X)*

DPNM advocated for the passage of a **straight ticket voting option in 2018**, which would have sped up the voting process for individuals who chose this option and for those waiting in line.

In 2018, when alerted to voting locations that were experiencing long lines on Election Day, **volunteers** were dispatched to deliver water and food to voters who were standing in lines waiting to vote.

In 2018, DPNM invested over \$45,000 in a **voter protection team** and **voter protection hotline**. This team pulled together attorneys statewide to address specific local issues, including any discrepancies with voting locations, including dealing with long lines.

For instance, DPNM participated in addressing issues with a specific voting location in Otero county. This advocacy resulted in moving the location to create more space and in adding days for early voting, which helped to reduce long lines.

On April 14, 2020, the Supreme Court of New Mexico ruled that our state could not move to an all-mail election, and instead ruled that in-person voting must remain open and that absentee ballot applications must be mailed to every voter registered with a major party. Voting by absentee ballot eliminates any problems with long wait times.

#### iv) **Voter Identification**

Eliminate onerous and discriminatory voter identification requirements. *(Rule 2.1.1.d)*

(1) New Mexico requires that a voter state their name and address to the election judge when voting in person. The election judge will verify the name on the voter roster and may ask the voter to provide the required voter identification. *(Section 1-12-10, NMSA 1978)* This required voter identification could be:

(a) **Physical identification**, for example photo identification or utility/bank statement. This identification is required when a voter registers for the **first time** in New Mexico via mail without providing proper documentation. *(Section 1-1-24.A, NMSA 1978)*

(b) **Verbal or written statement** of voter's name, address, and birth date by the voter to the election judge. This identification is for all voters **other than first time voters** who registered via mail without proper documentation. *(Section 1-1-24.B, NMSA 1978)*

- (2) The Democratic Party of New Mexico works to ensure that voters are not subjected to onerous and discriminatory voter identification requirements. *(See Appendix X)*

In 2018, DPNM invested over \$45,000 in a **voter protection team** and **voter protection hotline**. DPNM had **challengers** across the state at voting locations to ensure that there were no violations regarding voter identification.

DPNM has used its website, social media, direct voter outreach, and engagement to provide **voting information** accessible to all voters statewide around their rights regarding voter identification in New Mexico.

**v) Provisional Ballots**

Count, and include in the final total, ballots from voters who are eligible to vote but cast their ballots in the **wrong precinct** for offices for which they are eligible to vote. *(Rule 2.1.1.e)*

- (1) New Mexico allows for the Secretary of State to create a uniform process and a set of criteria for deciding how provisional ballots are counted. *(Section 1-12-29-1, NMSA 1978)*

**On April 2, 2018**, Secretary of State Maggie Toulouse Oliver laid out a **new administrative law for protocols** around provisional ballots. This new administrative law brought uniformity to the process around provisional ballots so that all 33 counties in New Mexico follow the same procedure. Included in this administrative law was the requirement that votes for the candidates or ballot questions from the precinct where the voter is eligible to vote shall be counted from any qualified provisional ballot. *(1.10.22 NMAC)*

- (2) The Democratic Party of New Mexico works to ensure all qualified votes are counted. *(see Appendix X)*

In 2018, DPNM invested over \$45,000 in a **voter protection team** and **voter protection hotline**. One responsibility of this team was to work after the election through the canvassing period to monitor election audits and provisional ballot processing.

**vi) Military & Overseas Voting**

Facilitate military and overseas voting. *(Rule 2. 1.1.f)*

- (1) The New Mexico Secretary of State follows the “Uniform Military and Overseas Voters Act” for protocol and procedure for military and overseas voting in New Mexico. *(Sections 1-6A-1 to 1-6A-12, NMSA 1978)*

- (2) The Democratic Party of New Mexico works to facilitate military and overseas voting. *(See Appendix X)*

DPNM performed **social media promotion** when military and overseas ballots were being sent out by the SoS during the 2018 election.

DPNM worked with **Democrats Abroad** to send emails and other communication to New Mexican voters living abroad about how to properly submit their absentee ballots.

d) Voter Registration Goals

As part of encouraging participation in the delegate selection process by registered voters, the Democratic Party of New Mexico has been, and is, supporting efforts to make voter registration easier, including supporting the following: *(Rule 2.1.2)*

i) **Modernization**

Voter registration modernization, including online voter registration and automatic and same-day registration. *(Rule 2.1.2.a)*

- (1) New Mexico allows for **online voter registration** as long as the voter has either a state-issued driver's license or state-issued identification card. *(Section 1-4-18.1, NMSA 1978)*
- (2) The Democratic Party of New Mexico supports voter registration modernization. *(See Appendix X for more detail)*

DPNM has used its website, **social media**, direct voter outreach, and engagement to provide voting information accessible to all voters statewide, including online voter registration.

DPNM endorsed and advocated for both same-day and automatic voter registration. DPNM Chairwoman Elliston provided public comment to the NM Legislature on the importance of these issues. Chairwoman Elliston had conversations with individual legislators around the importance of this legislation. Versions of the bills the DPNM supported were passed and signed into law during the 2019 Legislative Session.

ii) **Pre-registration**

Pre-registration of high school students so that they are already registered once they reach voting age. *(Rule 2.1.2.b)*

- (1) For the purposes of the primary election, any voter who is seventeen years old on the primary election date, and who will be a registered qualified elector on

the day of the general election, shall be considered to be a voter and may vote in the primary election immediately preceding that general election. (*Section 1-4-2, NMSA 1978*)

- (2) DPNM has worked with many county parties within the Democratic Party of New Mexico to regularly pre-register high school students as part of their voter registration efforts. (*See Appendix X for more detail*)

**iii) Restoration of Voting Rights**

Restoration of voting rights to all people who have served the time for their criminal conviction, without requiring the payment of court fees or fines. (*Rule 2.1.2.c*)

- (1) New Mexico allows for a person who has been convicted of a felony to be restored the right to vote when that person (*Section 1-4-27.1, NMSA 1978*):
  - (a) has been unconditionally discharged from a correctional facility, and
  - (b) has completed all conditions of parole or supervised probation, or
  - (c) has had the conviction overturned on appeal
- (2) The Democratic Party of New Mexico supports restoration of voting rights to all people who have met the criteria of their criminal conviction. (*See Appendix X*)

DPNM has used its website, social media, direct voter outreach, and engagement to provide voting information accessible to all voters statewide, including voters' rights around restoration of voting rights after felony convictions.

**iv) Same-Day and Automatic Registration**

Same-day or automatic registration of voters for the Democratic presidential nominating process. (*Rule 2.1.2.d*)

- (1) The Democratic Party of New Mexico supports same-day and automatic registration of voters. (*see Appendix X*)

DPNM has used its website, social media, direct voter outreach, and engagement to provide voting information accessible to all voters statewide, including online voter registration.

DPNM endorsed and advocated for both same-day and automatic voter registration. DPNM Chairwoman Elliston provided public comment to the NM Legislature on the importance of these issues. Chairwoman Elliston had conversations with individual legislators around the importance of this

legislation. Versions of the bills we supported were passed and signed into law during the 2019 Legislative Session.

e) Voter Suppression and Disenfranchisement

The Democratic Party of New Mexico has taken steps to ensure an **open and inclusive** government-run Primary election process, and has resisted attempts at voter suppression and disenfranchisement. This has been done by advocating for same-day voter registration and for revision of DPNM rules. (*Rule 2.J and Rule 2.J.1*)

- i) DPNM has followed this commitment by advocating for progressive and comprehensive voter-rights legislation, investing in comprehensive voter protection legal team and hotline, and revision of DPNM Party rules.

In 2018, DPNM invested over \$45,000 in a **voter protection team** and **voter protection hotline**. This team and protection line coordinated with local leaders to ensure any problems that voters experienced while voting were addressed promptly.

DPNM endorsed and advocated for both same-day and automatic voter registration. DPNM Chairwoman Elliston provided public comment to the NM Legislature on the importance of these issues. Chairwoman Elliston had conversations with individual legislators around the importance of this legislation. Versions of the bills DPNM supported were passed and signed into law during the 2019 Legislative Session. The bill that was signed into law allows for same-day registration during early vote but not election day for the 2020 general cycle. Beginning in 2021, the law will allow for same-day registration for the general cycle on election day as well. For primaries, previously unregistered voters will be the only voters who can register [change party affiliation] during the early voting and election day windows.

DPNM has used its **website, social media, direct voter outreach, and engagement** to provide voting information accessible to all voters statewide.

In 2018, DPNM had a widespread **field operation** that spoke with voters about the general election. Volunteers and organizers had conversations at the door, on the phone, and via text messaging to ensure that voters were equipped with up-to-date information on voting accessibility.

During the 2018 election, DPNM sent over **1.5 million pieces of mail** to voters statewide that included information on voting accessibility.

- ii) DPNM is committed to:

- (1) All **public meetings** at all levels of the DPNM are open to all members of the DPNM regardless of race, color, creed, sex, age, national origin, religion,

handicap, sexual orientation, gender identity, ethnic identity, or economic status.

- (2) **No test of membership** in, or any oaths of loyalty to, the DPNM shall be required or used that has the effect of requiring prospective or current members of the Democratic Party to acquiesce in, condone, or support discrimination on the grounds of race, color, creed, sex, age, national origin, religion, handicap, sexual orientation, gender identity, ethnic identity, or economic status.
- (3) Meetings of the DPNM at all levels shall be **publicized** fully and in such manner as to assure **timely** notice to all party members, and provide for sufficient room as practicable to accommodate all interested parties.
- (4) The DPNM at all levels shall support the **broadest possible registration** without discrimination on grounds of race, color, creed, sex, age, national origin, religion, handicap, sexual orientation, gender identity, ethnic identity, or economic status.

f) Scheduling of Delegate Selection Meetings

- i) The dates, times, and places for all official Party meetings and events related to New Mexico's delegate selection process must be scheduled **to encourage the participation of all Democrats**. Such meetings must begin and end at reasonable hours.

The DPNM shall schedule virtual/remote official Party meetings and events such that they are accessible to as many Democratic Party participants as possible.

- ii) For all official meetings and events related to this process, the Democratic Party of New Mexico is responsible for selecting the dates and times, as well as locating and confirming the availability of publicly accessible facilities. In addition, the scheduling of meetings shall consider any religious observations that could significantly affect participation. *(Rule 3.A & Reg. 4)*

The DPNM shall arrange virtual/remote official Party meetings and events such that they are accessible to as many Democratic Party participants as possible.

## Section II: Presidential Candidates

### 1) Ballot Access

a) A presidential candidate gains access to the New Mexico presidential preference primary ballot in one of two ways, pursuant to New Mexico State Law: (1) Nomination by Committee or (2) Nomination by Petition. The State of New Mexico does not have a filing procedure, deadline, or fees for presidential candidates seeking placement on the ballot. The Democratic Party of New Mexico Rules do not place additional requirements or filing fees on presidential candidates seeking placement on the ballot. The ballot position for the uncommitted category shall be placed last on the presidential primary ballot. The uncommitted category is an automatic category in New Mexico.<sup>1</sup> (NMSA 1-15A-8.A)

i) Nomination by Committee

No later than **February 15<sup>th</sup>, 2020**, the Chief Justice of the New Mexico Supreme Court will chair a committee meeting to nominate and certify to the Secretary of State the names of all presidential candidates “generally advocated and nationally recognized or supported by any major political party in the state as candidates of the major political parties participating in the presidential primary.” (NMSA 1978 1-15A-5) Committee members include:

- 1) the Chief Justice
- 2) Speaker of the NM House
- 3) Minority Leader of the NM House
- 4) President Pro Tempore of the NM Senate
- 5) Minority Leader of the NM Senate
- 6) State Chairpersons of the major political parties

While not required by law or DPNM Rules, presidential candidates should communicate their **intention** to seek nomination via committee to the DPNM Chair **in writing by January 15, 2020** to ensure that the Chair can advocate for appropriate candidates (*i.e.*, those “generally advocated and nationally recognized”) in the committee meeting.

ii. Nomination by Petition

As an alternative to the “Nomination by Committee” option, candidates seeking ballot placement can submit petition signatures to the Secretary of State (on a form provided by the SoS). The petition must be signed “by a number of registered voters in each of the congressional districts equal to not less than two percent of the total number of votes for president cast in each district at the last preceding presidential election.” (See

---

<sup>1</sup> DPNM is getting further clarification from the Secretary of State’s office with regard to this law.

table below for specific numbers) These signatures are **due no later than 30 days** following the nominations by committee. (NMSA 1978 1-15A-6)

<b>Congressional District</b>	<b>Minimum Signatures Needed</b>
1	5703
2	4645
3	5618
<b>Total</b>	<b>15966</b>

The Secretary of State will contact each candidate who has been nominated by the committee or petition via certified mail at least **63 days prior** to the election (**no later than March 31, 2020**) to confirm that the candidate will be placed on the primary ballot.

## **2) Other Requirements**

- a) No later than **April 1, 2020**, each presidential candidate shall certify in writing to the DPNM Chair, the name(s) of their authorized representative(s). (*Rule 13.D.1*)
- b) Each presidential candidate shall use their best efforts to ensure that their respective delegation within the New Mexico delegation achieves the affirmative action, outreach, and inclusion goals established by this Plan and is equally divided between men and women. (*Rule 6.1*)

# Section III: Selection of Delegates and Alternates

## 1) District-Level Delegates and Alternates

- a) New Mexico is allocated **23 congressional District-Level delegates and 3 District-Level alternates**, including an allocation bonus to the base delegation due to the New Mexico Primary election occurring on June 2, 2020. (*Rule 8.C, Call I.B, I.I, & Appendix B*).
- b) Qualified Post-Primary Electors

At each Congressional District Convention, an eligible voter shall be any person registered as a Democrat in that Congressional District by May 5, 2020, who has both

- i) pre-registered as a “post-primary elector” with the DPNM before the closing date specified in PHASE ONE – “The Call” and Registration of Qualified Post-Primary Electors, and
- ii) been certified by the DPNM to be qualified to participate in that post-primary election.

These eligible voters shall be referred to in this document as “qualified post-primary electors.”

- c) Election of National Convention Delegates

There are two (2) major phases to electing National Convention Delegates at the district level. In order to participate as a voter at any step or to serve as a delegate to any party convention, a person:

- shall have been a registered Democrat, as shown on the official list of registered voters of the county clerk or Secretary of State, **as of May 5, 2020**.
- shall physically reside in the political subdivision in which they wish to vote or run for a delegate position.

### **PHASE ONE – “The Call” and Registration of Qualified Post-Primary Electors**

#### **The Call**

The DPNM Chair will issue a Call to the State Post-Primary Convention no later than April 15, 2020. This Call will formally instruct County Chairs to issue public notification informing the Democrats in the county about both

- their eligibility to register to become “qualified post-primary electors” and
- the required steps in that registration process.

## **Registration and Certification of “Qualified Post-Primary Electors”**

Registration Opens: Registration for “post-primary electors” will open 30 days prior to June 13, 2020 (on May 14, 2020).

Registration Closes: Registration for “post-primary elector” will close at 11:59pm on June 11, with adequate notice to all the potential electors. Closing registration prior to the June 13 convention gives DPNM staff adequate time to complete certification of all registrants.

Registrants are required to provide the following information:

- Full formal registered name  
(First name, Last name; optional nick name)
- Date of birth  
(so staff can verify identity as a registered Democrat)
- Home (Residence) address -- NOT a PO Box  
(so staff can verify identity as a registered Democrat in the Congressional District)
- Valid Email address (unless not available)
- Valid Phone number (Home or cell or both -- unless not available)
- Presidential candidate to whom they pledge their support (only one)

### Registration Process

A Democrat who wants to register as a post-primary elector shall fill out an online “Post-Primary Elector Registration Form,” available on the DPNM website.

Those potential electors who do not have access to the internet can telephone their local county chairs, or the DPNM staff, to either “call in” their registration or to request a paper version of the registration form.

Completed on-paper registration forms can be returned via mail to the Democratic Party of New Mexico at 300 Central Ave. SW, Suite 1300, Albuquerque, NM 87102.

These forms must be received by DPNM staff no later than the date and time when registration closes (See *Registration and Certification of “Qualified Post-Primary Electors.”*)

Certification: DPNM staff will verify the eligibility of each registrant.

To be certified as a “qualified post-primary elector” within a given congressional district, a person shall have been registered as a Democrat in that congressional district by May 5, 2020.

### **PHASE TWO – Congressional District Post-Primary Conventions**

Congressional District Post-Primary Conventions will occur as virtual/remote meetings on June 13, 2020 for all three NM Congressional Districts. The purpose of these conventions shall be to elect District-Level delegates to the National Convention. Voting will be non-secret and shall be conducted by remote balloting.

The term “remote balloting” refers to the methods the post-primary electors will use to cast their votes.

- Those post-primary electors who have internet access will fill out an online “*Ballot: CD-X National Delegates for [Presidential Candidate]*” form (where CD-X is CD-1, CD-2, or CD-3).
- Those post-primary electors who do not have internet access will be able to phone in to a DPNM volunteer, who will enter the electors’ votes into an appropriate online ballot.

Every ballot cast will generate a receipt, which will be automatically emailed to an email address specified by an elector who votes online, or physically mailed to an elector who votes by phoning in.

For each Congressional District Convention, the remote balloting voting period shall open at 6:00am on June 13, 2020 and shall close at 8:00pm on June 13, 2020.

In each Congressional District, an eligible voter shall be any person registered as a Democrat in that Congressional District by May 5, 2020, who has pre-registered as a “post-primary Elector” with the DPNM before the closing date specified in PHASE ONE – “The Call” and Registration of Qualified Post-Primary Electors and who has been certified by the DPNM to be qualified to participate in that post-primary election. These eligible voters shall be referred to in this document as “qualified post-primary Electors.”

Proxies are not permitted at the virtual/remote Congressional District Post-Primary Convention.

- ii. At all stages, voting will be non-secret and governed by DPNM Rules, unless mandated otherwise by this Delegate Selection Plan, the DNC Delegate Selection Rules, or the Regulations of the DNC Rules and Bylaws Committee.

When electing more than one person to the same position, DPNM Rules require that voting follow the process explained in Appendix A of our Rules (similar to ‘ranked

choice’ voting), which will serve as its own appendix to this Delegate Selection Plan. DPNM Rules also offer descriptions of the suggested agenda of meetings.

- iii. **A Note to DPNM State Central Committee Members:** DNC Rules do not allow any automatic delegates to vote at any step in the Delegate Selection Process.

Therefore, to be eligible to vote in the Congressional District Level and State Post-Primary Conventions, an SCC member must become a “qualified post-primary Elector.”

To do this, the SCC member must pre-register as a “post-primary Elector” with the DPNM before the closing date specified in PHASE ONE – “The Call” and Registration of Qualified Post-Primary Electors and must be subsequently certified by the DPNM to be qualified to participate as an elector in the post-primary elections.

This requirement differs from the procedures used for the Pre-Primary Nominating Conventions.

c) Apportionment

- i. New Mexico’s District-Level delegates and alternates are apportioned among the congressional districts based on a formula giving equal weight to the vote for the Democratic candidates in the 2016 presidential and the 2018 gubernatorial elections. This method was selected as the most inclusive because alternative methods available under DNC Convention Rules require using both 2012 election data and 2010 census data, and our population has likely shifted significantly over the last 8-10 years.
- ii. The number of men and the number of women in New Mexico’s total number of District-Level delegates and alternates will vary by no more than one (1). (*Rule 6.C.1 & Reg. 4.9*)
- iii. The District-Level delegates and alternates are apportioned to districts as indicated in the following table:

District	Delegates			Alternates		
	Males*	Females*	Total	Males*	Females*	Total
#1	4	5	9	1	0	1
#2	3	2	5	0	1	1
#3	4	5	9	1	0	1
Total	11	12	23	2	1	3

\*(Assuming no gender non-binary delegates are elected.)

d) Filing Requirements

- i. A District-Level delegate and/or alternate candidate may run for election only within the district in which they are registered to vote. Upon receipt of a delegate/alternate candidate's declaration of candidacy form, DPNM will confirm the candidate's voting district on the NM Secretary of State's online "voter lookup" portal (*nmvote.org*).
- ii. An individual can qualify as a candidate for District-Level delegate or alternate to the 2020 Democratic National Convention by filing with the DPNM a **Declaration of Candidacy** designating their singular presidential (or uncommitted) preference, which includes a signed pledge of support for that presidential candidate (including uncommitted status), **by May 22nd, 2020 at 5pm**.

A candidate for delegate or alternate may modify their singular presidential preference by submitting an updated **Declaration of Candidacy** form no later than the filing deadline. (*Rule 13.B, Rule 15.F & Reg. 4.23*). The Declaration of Candidacy form will also require that candidates declare accurate contact and demographic information.

- iii. The Declaration of Candidacy form will be distributed by DPNM **no later than March 1, 2020** via DPNM's website, email list, and social media accounts.
- iv. Signed Declarations of Candidacy can be returned **via mail** to the Democratic Party of New Mexico at 300 Central Ave. SW, Albuquerque, NM 87102.

Declarations will also be accepted by **email**. Please contact DPNM at (505) 830-3650 **after March 1, 2020** to ask to whom the form can be emailed as an attachment.

- v. All candidates considered for District-Level alternate positions must meet the same requirements as candidates for District-Level delegate positions. Candidates who were not chosen at the delegate level are allowed to be considered at the alternate level. (*Rule 13.C*)
- vi. A candidate for District-Level delegate or alternate may also file a Declaration of Candidacy for pledged At-Large national delegate, and for pledged PLEO national delegate (if the candidate is a party leader or elected official).

If the candidate is elected as a District-Level delegate or alternate, any Declaration of Candidacy filed by that individual for another level is nullified and that individual is ineligible to be considered for election at another level.

e. Presidential Candidate Right of Review

- i. **Not later than May 27, 2020**, the DPNM Chair shall convey to the presidential candidate, or that candidate's authorized representative(s), a list of all persons who

have filed for delegate or alternate pledged to that presidential candidate. (*Rule 13.D & Rule 13.F*)

- ii. **By May 31, 2020 at 5pm**, each presidential candidate, or that candidate’s authorized representative(s), must file with the DPNM Chair a list of all such candidates they have approved, provided that approval be given to at least three (3) separate individuals for each position for delegate and three (3) separate individuals for each position for alternate to be elected. (*Rule 13.E.1, Reg. 4.24 & Reg. 4.25*)
  - iii. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate.
  - iv. National Convention delegate and alternate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate’s authorized representative(s), may not be elected as a delegate or alternate at that level pledged to that presidential candidate. (*Rule 13.E & Reg. 4.24*)
  - v. **Within three (3) business days** after a presidential candidate, or that candidate’s authorized representative, has filed a list of their approved District-Level delegate/alternate candidates with the DPNM Chair, the DPNM Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate has used their best efforts to ensure that their respective District-Level delegate candidates and District-Level alternate candidates meet the affirmative action and outreach and inclusion considerations and goals detailed in the *Affirmative Action Plan & Outreach and Inclusion Programs* section of this Plan. (*Section III.A.5.b of this Plan.*) (*Rule 6.1 & Reg.4.10.C*)
- f. Fair Reflection of Presidential Preference
- i. The New Mexico presidential primary election is a “binding” primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential (or uncommitted) preference of the primary voters in each district.  
  
The National Convention delegates and alternates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each presidential preference. However, presidential preferences falling below a 15% threshold shall not be awarded any delegates or alternates.
  - ii. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be revised to half the percentage of the vote received in that district by the front-runner. (*Rule 14.F*)
  - iii. National Convention Delegates and Alternates will be voted upon by “qualified post-primary electors” who also support the presidential candidate to whom the delegate/alternate candidate is pledged.

Qualified post-primary electors shall specify the presidential candidate to whom they pledge their support at the time they pre-register to become post-primary electors.

g. Equal Division of Delegates and Alternates

i. To ensure the District-Level delegates are equally divided between men and women (determined by gender self-identification), the gender of the first binary delegate elected in each district will be designated. At the time of election of delegates in the district, the binary gender advantage will alternate as delegate positions are filled and the alternation shall continue across presidential preferences in order of vote-getting preference. In the case of non-binary gender delegates, they shall not be counted in either the male or female category. (*Rule 6.C, Rule 6.C.1, & Reg. 4.10*)

- Within each congressional district, delegate positions will be designated by presidential preference, beginning with the presidential preference receiving the highest percentage of votes.

Delegate positions within this first group will be assigned to either female or male, beginning with the “advantaged gender” in the district and then alternating by gender. (*See Section III.1.g.ii following for more information about the “advantaged gender” and alternating by gender.*)

- This assignment by gender of delegate positions will continue with the delegates allocated to the presidential preference receiving the second highest percentage of votes.

Delegate positions within this second group will be assigned to either female or male, alternating by gender. (*See Section III.1.g.ii following for more information.*)

- The assignment by gender of delegate positions will continue with the delegates allocated to the presidential preference receiving the third-highest percentage of votes, and then to the presidential preference receiving the fourth-highest percentage of votes, and so on, until the gender of each delegate position has been assigned.

ii. Because each congressional district is awarded an **odd number of delegates**, one **binary gender (the “advantaged gender”)** will have an additional delegate in each district.

- The first delegate elected for the first-place presidential preference must be of the same gender as the advantaged gender in that district who are pledged to that first-place presidential preference.
- The second delegate elected for that first-place presidential candidate will be the highest vote recipient of delegates of the opposite gender in that district who are pledged to that first-place presidential preference.

- And so on.

After all delegate positions have been awarded to the first-place presidential preference, delegates will be elected for the second-place presidential preference, beginning with the opposite gender of the last delegate elected for the first-place presidential preference.

- iii. Gender non-binary delegate/alternate candidates shall not be counted in either the male or female category.
- iv. In each Congressional District, one (1) alternate pledged delegate shall be elected.

*(From DPNM Appendix A.6)* Candidates who receive at least one vote but are not elected will be declared to be Alternate Delegates. They should be listed in order of the number of votes received, with ties broken by lot, to obtain a preferential order.

#### h. Certification in Writing

The DPNM Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of New Mexico's District-Level delegates and alternates to the Democratic National Convention **within 10 days after their election (by June 23, 2020)**. *(Rule 8.C & Call IV.A)*

## 2) Automatic Delegates

### a) Number and Designation of Automatic Delegates

#### i) **Categories of Automatic Delegates**

The following categories (if applicable) shall constitute the Automatic Delegate positions:

- (1) Members of the Democratic National Committee who legally reside in New Mexico; *(Rule 9.A.1, Call I.F, Call I.J, & Reg. 4.15)*

iii) Certification Process

The certification process for the Automatic Delegates is as follows:

- (3) The DPNM Chair shall certify in writing to the Secretary of the DNC the presidential preference of New Mexico's Automatic delegates **within 10 days after the completion of New Mexico's Delegate Selection Process (by June 30, 2020)**. (*Call IV.C*)

b) Equal Division between Male and Female Delegates

For purposes of achieving equal division between delegate men and delegate women within New Mexico's entire convention delegation (as determined by gender self-identification), the entire delegation includes all Pledged and Automatic delegates, including those who identify as male or female. (*Rule 6.C and Reg. 4.9*)

### **3) Pledged Party Leader and Elected Official (PLEO) Delegates**

a) Number of Pledged PLEO Delegates for New Mexico

New Mexico is allotted **4 pledged Party Leader and Elected Official (PLEO) delegates**. (*Call I.D, Call I.E & Appendix B*).

The PLEO delegates will be elected by the qualified post-primary electors at the State Post-Primary Convention, part 1, which will occur as a virtual/remote meeting on June 19, 2020 (after the Congressional District Post-Primary Conventions).

b) Filing Requirements

- i) Individuals shall be eligible for the pledged Party Leader and Elected Official delegate positions according to the following **priority**:
- big city mayors and statewide elected officials (to be given equal consideration)
  - New Mexico legislative leaders
  - New Mexico legislators
  - other state, county, and local elected officials and party leaders

Automatic delegates who choose to run for pledged PLEO delegate will be given equal consideration with big city mayors and statewide elected officials. (*Rule 10.A.1 & Reg. 4.16*). **“Priority” means that the ballot order will begin with prioritized candidates at the top. If there are multiple candidates within each priority tier, their names will be listed alphabetically.**

- ii) An individual can qualify as a candidate for a position as a pledged PLEO delegate by **filing a Declaration of Candidacy** designating their singular presidential (or uncommitted) preference, which includes a signed pledge of support for the presidential candidate (including uncommitted status), with the DPNM **by June 14, 2020 at 5pm**.

A delegate candidate may modify their singular presidential preference by submitting an updated Declaration of Candidacy form no later than the filing deadline. (*Rule 13.B, Rule 15.F & Reg. 4.23*).

The Declaration of Candidacy form will also require that candidates declare accurate and complete contact and demographic information.

- iii) The Declaration of Candidacy form will be distributed by DPNM no later than March 1, 2020 via DPNM’s website, email list, and social media accounts.
- iv) Signed Declarations of Candidacy can be returned via mail to the Democratic Party of New Mexico at 300 Central Ave. SW, Suite 1300, Albuquerque, NM 87102.

Declarations will also be accepted by email. Please contact DPNM at (505) 830-3650 **after March 1, 2020** to ask to whom the form can be emailed as an attachment.

- vii. A candidate for pledged PLEO national delegate may also file a Declaration of Candidacy for pledged District-Level delegate or alternate (**due date: May 22, 2020 by 5pm**), and for pledged At-Large national delegate (**due date: June 14, 2020 by 5pm**).
- If the candidate is elected as a District-Level delegate or alternate, any Declaration of Candidacy filed by that individual for another level is nullified and that individual is ineligible to be considered for election at another level.

- If the candidate is elected as a pledged PLEO national delegate, any Declaration of Candidacy filed by that individual for pledged At-Large national delegate is nullified and that individual is ineligible to be considered for election at the At-Large level.

## 5) Replacement of Delegates and Alternates

a) Replacement Guidelines

A pledged delegate or alternate may be replaced according to the following guidelines:

i) **Permanent Replacement**

- (1) A permanent replacement occurs when a delegate resigns or dies prior to or during the National Convention and the alternate replaces the delegate for the remainder of the National Convention. (*Rule 19.D.3*)
- (2) Any alternate permanently replacing a delegate shall be of the same presidential preference (including uncommitted status) and gender of the delegate they replace, and to the extent possible shall be from the same political subdivision within New Mexico as the delegate.
  - (a) In the case where the presidential candidate has only one (1) alternate, that alternate shall become the certified delegate.
  - (b) If a presidential candidate has only one (1) alternate, and that alternate permanently replaces a delegate of a different gender, thereby causing the delegation to no longer be equally divided, the delegation shall not be considered in violation of *Rule 6.C*.

In such a case, notwithstanding *Rule 19.D.2*, the DPNM shall, at the time of a subsequent permanent replacement, replace a delegate with a

person of a different gender, in order to return the delegation to equal division of men and women. *(Reg. 4.36)*

- (3) If a delegate or alternate candidate who has been elected but not certified to the DNC Secretary resigns, dies, or is no longer eligible to serve, they shall be replaced, after consultation with the DPNM, by the authorized representative of the presidential candidate to whom they are pledged. *(Rule 19.D.2)*

**ii) Temporary Replacement**

- (1) A temporary replacement occurs when a delegate is to be absent for a limited period of time during the National Convention and an alternate temporarily acts in the delegate's place. *(Rule 19.D.4)*
- (2) Any alternate who temporarily replaces a delegate must be of the same presidential preference (including uncommitted status) as the delegate they replace, and to the extent possible shall be of the same gender and from the same political subdivision within New Mexico as the delegate.

**iii) System for Selection**

The following system will be used to select permanent and temporary replacements of delegates: The alternate who received the highest number of votes at the post-primary convention becomes the delegate.

**iv) Certification**

- (1) Permanent replacement of a delegate (as specified in 5.a.i) by an alternate, and replacement of a vacant alternate position, shall be certified in writing by the DPNM Chair to the Secretary of the Democratic National Committee **within three (3) days after** the replacement is selected. *(Call IV.D.1)*
- (2) Certification of permanent replacements will be accepted by the Secretary of the Democratic National Committee **up to 72 hours** before the first official session of the National Convention is scheduled to convene. *(Call IV.D.1 & Reg. 4.35)*
- (3) In the case where a pledged delegate is permanently replaced **after 72 hours before** the time the first session is scheduled to convene or, in the case where a pledged delegate is not on the floor of the Convention Hall at the time a roll call vote is taken, an alternate may be designated (as specified above in Section III.5.a.3) to cast the delegates' vote.

In such case, the Delegation Chair shall indicate the name of the alternate casting the respective delegate's vote on the delegation tally sheet. (*Call IX.F.3.e, Call IX.F.3.c & Reg. 5.6*)

**v) Vacancy with Alternate Position**

A vacant alternate position shall be filled by the delegation. The replacement shall be of the same presidential preference (or uncommitted status), of the same gender and, to the extent possible, from the same political subdivision as the alternate being replaced. (*Rule 19.E*)

**b) Automatic Delegate Replacement**

Automatic delegates shall not be entitled to a replacement, nor shall New Mexico be entitled to a replacement, except under the following circumstances: (*Call IV.D.2 & Reg. 4.37*)

- i) Members of Congress and the Democratic Governor shall not be entitled to name a replacement.

In the event of changes or vacancies in New Mexico's Congressional Delegation, following the official confirmation and prior to the commencement of the National Convention, the DNC Secretary shall recognize only such changes as have been officially recognized by the Democratic Caucus of the U.S. House of Representatives or the Democratic Conference of the U.S. Senate.

In the event of a change or vacancy in New Mexico's office of the Governor, the DNC shall recognize only such changes as have been officially recognized by the Democratic Governors' Association prior to the commencement of the National Convention. (*Call IV.D.2.a*)

- ii) Members of the Democratic National Committee shall not be entitled to a replacement, nor shall New Mexico be entitled to a replacement, except in the case of death of such delegates.

In the case where New Mexico's DNC membership changes following the DNC Secretary's official confirmation, but prior to the commencement of the 2020 Democratic National Convention, acknowledgment by the DNC Secretary of the new DNC member certification shall constitute verification of the corresponding change of Automatic delegates. (*Call, IV.D.2.b*). Pursuant to DPNM Rules, any DNC member vacancy shall be filled by a Majority vote of the State Central Committee. (*Art. II, Section 8.1*).

- iii) Automatic Distinguished Party Leader delegates allocated to New Mexico pursuant to *Rule 9.A.(5)*, shall not be entitled to name a replacement, nor shall the state be entitled to name a replacement. (*Call IV.D.2.c*)

iv) In no case may an alternate cast a vote for an Automatic delegate. (*Call IX.F.3.e*)

## 6) Additional New Mexico State Law Requirements

- a) To qualify to attend the National Convention as a delegate or an alternate, the participant must file with the DPNM Chair a “written declaration of acceptance, signed by himself” **at least 15 days** prior to the beginning of the National Convention.

This written declaration of acceptance must include the delegate/alternate’s name, mailing and voting addresses, an affirmation that they are a registered voter of the Democratic Party in New Mexico, a statement that they accept their selection as a delegate, and a pledge to support their presidential preference through the 1<sup>st</sup> ballot at the National Convention. (*NM Statute 1-15-A-10.*)<sup>2</sup>

At the **June 20 National Convention Delegation meeting** (where delegates will select a Delegation Chair), DPNM will provide all delegates and alternates a form for their signature upon which they can include all necessary information.

- b) The DPNM Chair must then file all declarations of acceptance with the NM Secretary of State office **no later than 10 days prior** to the National Convention. (*NM Statute 1-15A-10.*)

---

<sup>2</sup> DPNM is seeking additional information on this re: if a presidential candidate drops out after the signing of the written declaration of acceptance but prior to the convention. As we get more information, we will make the appropriate updates to this document.

## Section IV: Selection of Convention Standing Committee Members

### 1) Introduction

#### a) Allocation

New Mexico has been allocated one (1) member on each of the three (3) Standing Committees for the **2020** Democratic National Convention (the Convention Credentials Committee, the Platform Committee, and the Rules and Bylaws Committee), for a total of three (3) members. (*Call VII.A & Appendix D*)

#### b) Members

Members of the Convention Standing Committees do not need to be delegates or alternates to the 2020 Democratic National Convention. (*Call VII.A.3*)

(*DPNM Rules, ARTICLE II, Section 1, Rule 1.1.1, Call VII.G.2*)

#### b. Any Democrat May Apply

Any Democrat may apply for a position as a temporary member of one of the standing committees. c. Separate Election for Each Member

A separate election shall be conducted for temporary membership on each of the three standing committees. (*Call VII.E.2, Call VII.E.1*)

Because three temporary committee members are being elected, the total variance between the number of (self-identified) women and the number of (self-identified) men among the three committees in aggregate shall not exceed one (1).

The **gender division** of the three temporary committee members elected shall match one of these combinations:

- Two women and one man (*variance=1*)
- One woman and two men (*variance=1*)
- One woman, one man, and one gender non-binary person (*variance=0*)
- One woman or one man, and two gender non-binary people (*variance=1*)
- Three gender non-binary people (*variance=0*)

These gender divisions of the three committee members are **not allowed**:

- Two women and one gender non-binary person (*variance=2*)
- Two men and one gender non-binary person (*variance=2*)

d. Temporary Members Serve

Temporary standing-committee members serve only if their respective standing committee is called to meet before New Mexico's permanent standing-committee members have been elected. (*Call VII.G.3*)

No temporary standing-committee member may continue to serve after the election of the permanent standing-committee members, unless the temporary member is elected as a permanent member.

e. Elected After the NM Primary

Temporary standing-committee members elected after the New Mexico Primary election has occurred shall reflect the Presidential preferences established by the Primary election. See *Section IV.C.2, Allocation of Standing Committee Members* for description of the allocation process. (*Call VII.G.3*)

f. Certification and Substitution

The DPNM Chair shall certify the temporary standing-committee members in writing to the Secretary of the Democratic National Committee within three (3) days after their election. (*Call VII.B.3 & Call VII.G.4*)

Substitutions in New Mexico's list of temporary standing-committee members may only be made **up to ten (10) days before** the time the standing committee meets.

Substitute temporary standing-committee members will be elected at a meeting of the DPNM SCC according to the provisions outlined in the preceding paragraphs.

### 3) Standing Committee Members

#### a) Election Meeting

- i) The members of the standing committees shall be elected by a quorum of the New Mexico National Convention Delegation, **at a virtual/remote meeting of the delegation to be held on June 27, 2020**, which is after the election of the At-Large Delegates. *(Call VII.B.1)*
- ii) All members of the New Mexico National Convention Delegation shall receive adequate notice of the time, date, and place or virtual/remote platform details of the meeting to elect the standing-committee members.

#### b) Allocation of Members

- i) The threshold percentage used to calculate At-Large apportionment in the **New Mexico Delegation is fifteen percent (15%)**. Presidential candidates who have not attained this threshold percentage on a statewide basis in the New Mexico Primary election shall not be entitled to any standing-committee memberships. *(Call VII.C.1 & Reg. 5.9)*
- ii) New Mexico has **three (3) allocated permanent standing-committee members**: one per committee. Based on the results of the New Mexico Primary Election, the New Mexico Delegation shall elect the permanent standing-committee members from among names submitted by the presidential candidates for each committee.

In electing the three standing-committee members, the New Mexico Delegation shall ensure that, in the aggregate, the elected committee members meet the gender-balance requirements specified in *Section IV.C.4.b. (Call VII.C.2, Call VII.C.3, Call VII.C.4)*

The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by three (3), which is the total number of standing committee positions allocated to New Mexico.

- If the result of such multiplication is less than 0.455, the presidential preference in question is not entitled to representation on the standing committee.
- If the result of such multiplication is equal to or greater than 0.455, but less than 1.455, the presidential preference is entitled to one (1) position.

- Those preferences securing 1.455 or greater, but less than 2.455, are entitled to two (2) positions.
- Those preferences securing 2.455 or greater are entitled to three (3) positions.  
(*Call VII.C.2*)

- iii) Where the application of this formula results in the total allocation exceeding three (3), the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position.

Where the application of this formula results in the total allocation falling short of three (3), the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. (*Call VII.C.3*)

- iv) Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees.

When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. (*Call VII.C.4*)

b) Presidential Candidate Right of Review

- i) Each presidential candidate meeting the 15% threshold in the New Mexico Primary Election, or that candidate's authorized representative(s), shall be given adequate notice of the date, time, and **place or virtual/remote platform details** of the meeting of the New Mexico **National Convention** Delegation authorized to elect standing committee members. (*Call VII.D.1*)
- ii) On June 20, 2020, after the election of At-Large delegates, each presidential candidate **above the 15% viability threshold**, or that candidate's authorized representative(s), must submit to the DPNM Chair a minimum of (1) name for each committee. At the delegation meeting on **June 27, 2020**, the New Mexico Delegation shall elect the Convention Standing-Committee members from among names submitted by the presidential candidates **including uncommitted status**. Presidential candidates shall not be required to submit the name of more than one (1) person for each standing committee. (*Call VII.D.2*)

c) Selection Procedure to Achieve Equal Division

- i) Presidential candidates, including uncommitted status, shall use their best efforts to ensure that their respective delegation of standing-committee members shall achieve New Mexico's affirmative action, outreach, and inclusion goals. Presidential candidates shall also use their best efforts to ensure that their respective male and female members are equally

divided between men and women (as determined by gender self-identification). (*Rule 6.1 & Reg. 4.10*)

- ii) Because only three (3) permanent standing-committee members are being elected, the total variance between the number of **(self-identified)** women and the number of **(self-identified)** men among the three committees in aggregate shall not exceed one (1). Gender non-binary committee members shall not be counted as either male or female.

The **gender division** of the three committee members elected shall match one of these combinations: (*Call VII.E.2, Call VII.E.1*)

- Two women and one man (*variance=1*)
- Two men and one woman (*variance=1*)
- One woman, one man, and one gender non-binary person (*variance=0*)
- One woman or one man, and two gender non-binary people (*variance=1*)
- Three gender non-binary people (*variance=0*)

These gender divisions of the three committee members are **not allowed**:

- Two women and one gender non-binary person (*variance=2*)
- Two men and one gender non-binary person (*variance=2*)

- iii) A separate election shall be conducted for membership on each standing committee. The winner of each election shall be the highest vote-getter of the appropriate gender.

**Note:** “Appropriate gender” becomes a consideration only in the election of the third and final committee member

- (a) when the first two committee members elected are of the same gender, or
- (b) when one of the first two committee members elected is a gender non-binary person.

d) Certification and Substitution

- i) The DPNM Chair shall certify the standing-committee members in writing to the Secretary of the Democratic National Committee **within three (3) days after their election.** (*Call VII.B.3*)
- ii) For standing-committee members, no substitutions will be permitted, except in the case of resignation or death. Substitutions must be made in accordance with the rules and the election procedures specified in this section.

The DPNM Chair must certify substitutions in writing to the Secretary of the Democratic National Committee **within three (3) days after** the substitute member is elected, but (except in the case of a committee member’s death) **not less than 48 hours before** the respective standing committee meets. (*Call VII.B.4*)

These provisions demonstrate the intention of the Democratic Party to ensure a full opportunity for all minority group members to participate in the delegate selection process. *(Rule 4.A, Rule 4.B & Rule 4.C)*

- a) All **public meetings** at all levels of the Democratic Party of New Mexico shall be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status, or disability (hereinafter collectively referred to as “status”). *(Rule 4.B.1)*
- b) **No test for membership** in, nor any oaths of loyalty to, the Democratic Party of New Mexico will be required or used which have the effect of requiring prospective or current members of the Democratic Party to acquiesce in, condone, or support discrimination based on “status.” *(Rule 4.B.2)*
- c) The time and place for all public meetings of the Democratic Party of New Mexico, on all levels, will be publicized fully, and in such manner as to assure timely notice to all interested persons. Such meetings must be held in places accessible to all Party members and large enough to accommodate all interested persons. In the case of virtual/remote meetings, the definition of “place” shall include telephones, tablets, computers, or other electronic communication devices, and the internet. *(Rule 4.B.3)*
- d) The Democratic Party of New Mexico, on all levels, will support the broadest possible registration without discrimination based on “status.” *(Rule 4.B.4)*
- e) The Democratic Party of New Mexico will publicize fully, and in such a manner as to assure notice to all interested parties, a full description of the legal and practical procedures for selection of Democratic Party officers and representatives on all levels.

Publication of these procedures should be done in such a fashion that all prospective and current members of the Democratic Party of New Mexico will be fully and adequately informed of the pertinent procedures in time to participate in each selection procedure at all levels of the Democratic Party organization.

As part of this, the DPNM will develop a strategy to provide education programs directly to voters who continue to experience confusing timelines for registration, changing party affiliation deadlines, or lack of awareness of the process for running for delegate, to ensure that all Democratic voters understand the rules and timelines and their impact on voter participation. *(Rule 4.B.5)*

- f) The Democratic Party of New Mexico will publicize fully and in such a manner as to assure notice to all interested parties, a complete description of the legal and practical qualifications of all positions as officers and representatives of the DPNM. Such publication should be done in a timely fashion so that all prospective candidates or applicants for any elected or appointed position within the DPNM will have full and adequate opportunity to compete for office. *(Rule 4.B.6)*

## **2) Discrimination**

Discrimination on the basis of “status” in the conduct of Democratic Party affairs is prohibited. *(Rule 5.B)*

## **3) Equal Division of Men and Women Delegates**

The New Mexico Delegation shall be equally divided between delegate men and delegate women, and alternate men and alternate women, and the number of men and women shall not vary by more than one. Such goal applies to the entire delegation, which includes all pledged delegates and alternates and all automatic delegates. Delegates and alternates shall be considered separate groups for purposes of achieving equal division as determined by gender self-identification.

In the case of gender non-binary delegates or alternates, they shall not be counted as either male or female, and the remainder of the delegation shall be equally divided by gender. *(Rule 6.C)*

## **4) Delegate and Alternate Presidential Preference**

All delegate and alternate candidates must be identified as to presidential preference or uncommitted status at all levels that determine presidential preference. *(Rule 13.A)*

No delegate at any level of the delegate selection process shall be mandated by law or Democratic Party rules to vote contrary to that person’s presidential choice as expressed at the time the delegate is elected. *(Rule 13.I)*

Each delegate, alternate, and standing-committee member must be a bona fide Democrat, who is faithful to the interests, welfare, and success of the Democratic Party of the United States, who subscribes to the substance, intent, and principles of the Charter and Bylaws of the Democratic Party of the United States, and who will participate in the Convention in good faith. *(Rule 13.H, Call VII.A.4 & Reg. 4.26)*

## 8) Quorum

**40% of the members of any Party body** above the first level of the delegate selection process shall constitute a quorum for any business pertaining to the selection of National Convention delegates, alternates, standing-committee members, and other official Convention participants. The Party body comprising the “qualified post-primary electors” for the 2020 DPNM State Post-Primary Convention (**part 1 on June 19** and **part 2 on June 20**) is defined as only those qualified electors who cast ballots in the Congressional District elections **on June 13, 2020**. *(Rule 16)*

## 9) Non-Transferable Proxy

In the context of virtual/remote official Party meetings and elections, there shall be no non-transferable proxies. Each qualified elector has the ability to cast their own ballot, either online or by telephone.

## 10) The Unit Rule

The unit rule, or any rule or practice whereby all members of a Party unit or delegation may be required to cast their votes in accordance with the will of a majority of the body, shall not be used at any stage of the delegate selection process. *(Rule 18.A)*

## 11) Slate of Candidates

Any individual or group of Democrats may sponsor or endorse a slate of candidates for convention delegates. However, no slate may, by virtue of such endorsement, receive a preferential place on a delegate selection ballot or be publicly identified on the ballot as the official Democratic Party organization slate, and all slates must meet identical qualifying requirements for appearing on a ballot at all levels of the delegate selection process. *(Rule 18.B)*

## 12) Calendar Year Requirement

- that the delegates and alternates to the National Convention shall be selected in accordance with the Delegate Selection Rules for the 2020 Democratic National Convention; and
- that the delegates certified will not publicly support or campaign for any candidate for President or Vice President other than the nominees of the Democratic National Convention. *(Call II.B)*

# Section VIII: Affirmative Action Plan & Outreach and Inclusion Programs

## 1) Statement of Purpose and Organization

### a) Purpose and Objectives

- i) To make sure that, at all levels, the Democratic Party is an open Party that includes people in participation, rather than a Party that excludes people from participation, DPNM hereby adopts a program of effective affirmative action. *(Rule 5.A)*
- ii) At all levels of the DPNM, all public meetings shall be open to all members of the Democratic Party, regardless of a member's race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status, or disability. These categories are hereinafter collectively referred to as "**Status.**" *(Rule 4.B.1)*
- iii) Discrimination on the basis of Status in the conduct of DPNM affairs is prohibited. *(Rule 5.B)*
- iv) Consistent with the Democratic Party's commitment to include groups historically under-represented in the Democratic Party's affairs by virtue of their Status, the DPNM has established goals for including these groups. *(Rule 5.C & Reg. 4.8)*
- v) **To encourage full participation** by all Democrats in the delegate-selection process and in all Party affairs, the DPNM has adopted Affirmative Action programs with specific goals and timetables for these groups present in the New Mexico Democratic electorate *(Rule 6.A & Rule 7)*:

  - Women

DPNM will implement these Affirmative Action programs in the 2020 Delegate Selection process. Details of the implementation will be covered in the *DPNM Affirmative Action Plan & Outreach and Inclusion Programs* document.

- LGBTQ+ Community
- People with Disabilities
- Youth
- Veterans
- Union members
- Senior Citizens (over the age of 65)
- Rural Voters

DPNM will implement outreach and inclusion programs to meet these goals and timetables in the 2020 Delegate Selection process. Details of the implementation will be covered in the *DPNM Affirmative Action Plan & Outreach and Inclusion Programs* document.

- 1) The goal of the programs shall be to **encourage participation** by the aforementioned groups in the Delegate Selection process and in Party organizations at all levels. (*Rule 6.A.1*)
- 2) For the Delegate Selection process, **“Youth”** is defined as any participant who is younger than 36 years old at the time they are elected. (*Reg. 5.3.A*)
- 3) For the Delegate Selection process, individuals identifying as **Native Americans** should provide their tribal affiliation and indicate if they are enrolled in a tribe. This information will be provided on the *Application to Be a New Mexico Delegate* form. (*Reg. 5.3.B*)
- 4) DPNM shall **not** impose mandatory **quotas** at any level of the Delegate Selection process, nor in any other DPNM affairs, in order to either directly or indirectly accomplish these goals. (*Rule 6.A.2*)

b) Organizational Structure: **Who Writes** the *DPNM Affirmative Action Plan & Outreach and Inclusion Programs* Document

- i) The DPNM currently has a standing Affirmative Action Committee comprising **fifteen (15) members**:
  - **Ten (10) members** were elected during the 2017 SCC Meeting.
  - **Five (5) members** were appointed by the DPNM Chair in May 2017.

**Term of office** on this Committee is 2 years. Ten (10) new **2019–2021** Committee members shall be elected at the DPNM State Central Committee (SCC) meeting on **April**

**28, 2019**, and the additional five (5) members shall be appointed by the DPNM Chair **within 30 days thereafter, by May 28, 2019**. (*Rule 6.F*)

The composition, purpose, and powers and authority of the DPNM Affirmative Action Committee are covered in (**Article II, Section 7, Rule 7.4**) of the *DPNM Rules*.

- ii. The DPNM Chair has appointed the members of the 2017–2019 DPNM Affirmative Action Committee to write the *DPNM Affirmative Action Plan & Outreach and Inclusion Programs* document. On February 28, 2019, the DPNM Chair certified in writing to the Rules and Bylaws Committee of the Democratic National Committee that the 2017–2019 DPNM Affirmative Action Committee is in compliance with *Delegate Selection Rules* 5.C, 6.A and 7.

No later than 15 days after the new members of the DPNM Affirmative Action Committee are elected and appointed, **no later than June 12, 2019**, the DPNM Chair shall certify in writing to the Rules and Bylaws Committee of the Democratic National Committee that the 2019–2021 DPNM Affirmative Action Committee is in compliance with *Delegate Selection Rules* 5.C, 6.A and 7. (*Reg. 2.2.J*)

At this time, the DPNM Chair shall also submit the names, demographic data, and contact information of the 2019–2021 DPNM Affirmative Action Committee members in writing to the Rules and Bylaws Committee of the Democratic National Committee. (*Reg. 2.2.J*)

  1. The Committee shall help to develop and design the proposed *DPNM Affirmative Action Plan & Outreach and Inclusion Programs* document, and shall make recommendations to the DPNM Chair. (*Rule 6.F*)
  2. The Committee shall direct the implementation of all requirements of the *DPNM Affirmative Action Plan & Outreach and Inclusion Programs*. (*MODEL Section VIII, Part A.2.d(2)*)
  3. To encourage the participation and representation of persons of low and moderate income in the National Convention delegation, the Affirmative Action Committee shall implement a specific *Outreach and Financial Assistance Program* for such persons as part of the *DPNM Affirmative Action Plan & Outreach and Inclusion Programs*. (*Rule 6.G*)

4. On behalf of the DPNM, the Affirmative Action Committee shall ensure that district lines used in the delegate selection process are not gerrymandered to discriminate against African Americans, Hispanics, Native Americans, Asian Americans and Pacific Islanders, or women. *(Rule 6.E)*

The *2018 DPNM Platform*, under *Ethics, Elections, and Politics*, states that: “12. (We will) actively put an **end to gerrymandering** by creating and giving authority to an independent non-partisan redistricting commission separate from the legislative process that will prevent the drawing of political boundaries favoring one party over another; ...”

- e. To the greatest extent feasible, the DPNM shall provide financial and staff **support** for the Affirmative Action Committee. This support includes, but is not limited to, the following: *(MODEL Section VIII, Part A.1.e)*
  - Making the DPNM staff and volunteers available to the Affirmative Action Committee on a priority basis, and
  - Covering all reasonable costs – as approved by the DPNM Chair – incurred in carrying out the DPNM *Affirmative Action Plan & Outreach and Inclusion Programs*.

## 2) Representation Goals

- a) Demographic Composition of Historically Underrepresented Peoples

In cooperation with the National Committee, the DPNM has determined the demographic composition of African Americans, Hispanics, Native Americans, and Asian Americans and Pacific Islanders in New Mexico’s Democratic electorate. *(Rule 6.A)*

The DPNM has established these constituency percentages as goals for representation in the New Mexico convention delegation.

- b) Other Under-represented Communities

In cooperation with the National Committee, the DPNM has also determined the demographic composition of members of the LGBTQ+ community, people with disabilities, youth, veterans, union members, senior citizens, and rural voters in New Mexico’s Democratic electorate. *(Rule 6.A)*

The DPNM has chosen to establish these percentages as goals for representation in New Mexico’s convention delegation.

c) Methods Used

We calculated the percentage of Democrats belonging to each group by using a four- step process (from DNC Data and Analytics Team):

- i) Estimated the number of Democrats in New Mexico by multiplying the size of the state’s citizen voting-age population (CVAP) by the level of Democratic support in the state.

**New Mexico:**

**1,520,098 Eligible Total Voters X 58% Estimated Support Democrats  
= 881,657 Estimated Eligible Democratic Voters**

- ii) Estimated the number of eligible voters from each demographic group in New Mexico by multiplying the state’s CVAP by the percentage of the population belonging to each group in the state.

Group	NM’s CVAP	% of Population	Estimated Eligible Voters (EEV)
African Americans	1,520,098	2.5%	38,002
Hispanics	1,520,098	48.8%	741,808
Native Americans	1,520,098	10.9%	165,691
AAPI	1,520,098	1.9%	28,882
LGBTQ+ People	1,520,098	4.5%	68,404
People with Disabilities	1,520,098	15.0%	228,015
Youth	1,520,098	31.8%	483,866*

Rural Voters	1,520,098	22.6%	343,542

\*Direct number given by Census Data

- iii) Estimated the number of Democrats in each demographic group in New Mexico by multiplying the size of each group in New Mexico by the level of Democratic support from each group in the state. EEV stands for “Estimated Eligible Voters.”

Group	EEV	% of Support	# of Democrats
African Americans	38,002	90%	34,202
Hispanics	741808	69%	511,847
Native Americans	165,691	58%	98,101
AAPI	28,882	77%	22,239
LGBTQ+ People	68,404	82%	56,092
People with Disabilities	228,015	50%	114,007
Youth	483,866	61%*	295,158

\*Estimate given by DNC Data and Analytics Team

- iv) Estimate the prevalence of each demographic group among Democratic supporters in New Mexico by dividing our estimates of the number of Democrats in each group in the state by our estimates of the number of Democrats in the state.

Group	# of Democrats	Total # of Democrats	% of Democratic Electorate
African Americans	34,202	881,657	3.88%

d) At-Large Delegates

When selecting the At-Large portion of the New Mexico Delegation, the demographic composition of all the other delegates (District-Level, Pledged PLEO, and Automatic) shall be compared with the DPNM's representation goals. This comparison shall be used to facilitate employing an At-Large Delegate selection process that helps to achieve a representative balance of delegates. (Rule 11.A)

e) Other Outreach and Inclusion Activities in Delegate Selection

Although the selection of the At-Large delegation may be used to fulfill affirmative action goals established by this Plan, the DPNM will also conduct outreach and inclusion activities such as recruitment, education, and training at all levels of the delegate selection process. These activities are described in detail in the *DPNM Affirmative Action Plan & Outreach and Inclusion Programs* document. See also Section VIII, F.4. *Reaching Out to Historically Under-represented Constituency Groups*. (Rule 6.A.3)

- Eliminate excessively long waiting periods for voters who wish to register or change their party affiliation

- Confusing timelines for registration
- Confusion regarding deadlines for changing party affiliation
- Lack of awareness of the process for running for delegate

The purpose of this strategy is to ensure that all Democratic voters understand the rules and timelines, and their impact on voter participation in the delegate selection process. This DPNM strategy will be implemented **beginning September 13, 2019**.

b) Media Plan

DPNM shall have a *Delegate Selection Media Plan* (see *Attachment 2.1*) for using all available and appropriate resources to inform the general public how, when, and where to participate in the delegate selection process. Available and appropriate resources include – but are not limited to – social media, websites, newspapers, radio, and television. (*Rule 4.B.3, Rule 6.D*)

Specifically, the *Delegate Selection Media Plan* will provide details about how to qualify to run as a delegate candidate for the Democratic National Convention.
